Konza Technopolis Development Authority

REPUBLIC OF KENYA

KONZA Technopolis

Konza Technopolis Development Authority (KoTDA), a parastatal under the Ministry of ICT, Innovation and Youth Affairs is the implementing agency for Konza Technopolis, a Vision 2030 flagship project that seeks to create a world class smart city driven by innovation in ICT/ITES, Engineering and Life Sciences.

The Authority has put in place an internship/attachment programme as part of on the job training for purpose of moulding interns/attaches to become responsible citizens who will contribute effectively to the socioeconomic development of the country as well as develop their ability to successfully take up employment in various sectors. This is in recognition of the fact that trainees graduating from training institutions join the labour market with academic and theoretical approaches to work and hence require practical exposure in a real work environment.

The successful candidates shall be selected from applicants who possess the following:
